Championship. The students showed their enthusiasm at the pep rally on Friday afternoon. The Saints were really fired up!

1981-'82 Eucharistic Ministers

This year, as always, the Bishop Dwenger Student Body participated in mass. The Mass is an intimate part of the lives of all of us at Bishop Dwenger. It is a time when we can come together and thank God for the many gifts we have received. Among these are the three major that Bishop Dwenger always stresses: religion, family, and education. During the masses, we are always made aware of how important these things are. All of us appreciate the fact that we are lucky enough to have them. The Juniors, especially, were thankful at the beautiful mass to honor them, and support them on Junior Day.

Gifts of water, wine, and the Holy Eucharist are offered during the mass.

Bishop McManus honored us by saying mass on Bishop Dwenger Day.

Father Shafer prepares us to receive communion.

We
Thank
The
Lord!

The students are always a big part of the Bishop Dwenger masses.

One of our privileges in attending a Catholic school is receiving the Holy Eucharist.

Father Fortkamp chats with Father Jim after his talk.

Some teachers sponsored a frog jumping contest at a Student Council meeting.

Jackie Momper and Lori Locke are dressed for the Homecoming Pep Session

When the entire school joins together for some reason, there was no denying that it was for something spectacular. Together the Dwenger Community showed support for athletic teams and enjoyed concerts put together by the band and chorus. There were also the unforgettable retreats that brought us closer to God as well as each other.

We were given much good advice by Father Fortkamp.

Cheerleading is a demanding sport which begins in June and ends in March. Our season started out with summer camp which was at Valparaiso. As one squad, the Varsity and the Junior Varsity won first place for every cheer performed and qualified for Grand National Competition. We received other awards for our pom pon routine, notebook, spirit and individual talents. We were also chosen as the best all around squad.

During the school year, we had several fund raisers, prepared pep sessions, decorated lockers and many other things.

The B.D. cheerleaders took on quite a different look this year. With the addition of three male cheerleaders, our spirit and mounts soared higher than ever.

We owe much gratitude to our moderator, Mrs. Nelson. Without her help and patience, we wouldn't have made it through the year.

Varsity co-captains: Jodi Roberts and Sue Westendorf.

Once In A Lifetime?

In the spring of 1982, Fort Wayne was threatened by a flood. The only defense against the rising waters was the dikes. But someone had to build them. Thousands volunteered their time. School was dismissed so that students could aid the city. We were thanked for our help, it seemed people suddenly realized our potential. But, we were not alone in our fight! There were a lot of people out there, teachers, too. Even at the telethon, Mr. Tierney wrote and performed a song. We'd like to thank THEM for always having believed in us!

For All That Has Been . . . Thanks For All That Is To Come . . . Yes

April 23, 1982 was a very fun-filled day that is sure to be remembered by all the Juniors. Junior Day 1982 began with a Mass celebrated by Fr. Shafer and Fr. Steiglitz. With a theme, "For everything that has been, thanks . . . For everything that is to come, yes.", the Juniors reflected on their duties as Catholic adults, next year and throughout their lives.

After the Mass, the Juniors were dismissed for the day to enjoy the afternoon with their friends. Some students left the confines of Ft. Wayne to picnic and party at Pokagon State Park. Others drove to Chain-O-Lakes State Park to enjoy the beautiful, sunny afternoon in a similar manner. Some students went to parties at friends' houses. The day was capped with a casual dance in the Dwenger cafeteria. Most Juniors attended and found this to be a perfectly rowdy end to Junior Day 1982.

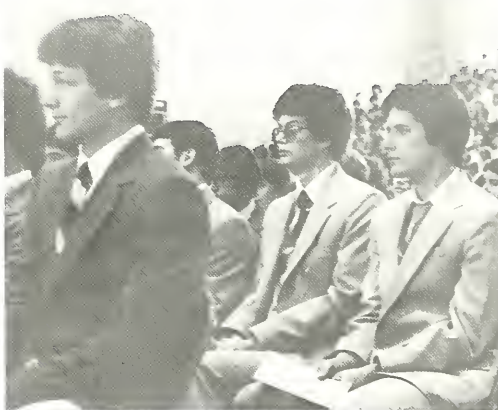

The choir's excellent singing accompanied the Junior Day Mass.

Dave Kinniry's inspiring words with background of the theme of "Chariots of Fire" made the day even more special.

The Juniors enjoyed a delicious luncheon at the Heritage House, as shown here by Lisa Arata and Kelly Newell.

Mother Teresa Visits The Fort

June 6, 1982 was a very special day for Fort Wayne. International figure and Nobel Peace Prize winner, Mother Teresa, visited Fort Wayne and delivered a speech in the Bishop Dwenger gym.

Everything began when Fr. Steve Morrison of the Crosier Center sent a letter to Mother Teresa in India inviting her to come to Fort Wayne. To his astonishment, she replied that she would come. Mother Teresa arrived at Baer Field Airport on Saturday. She spent the night at the Crosier Center. A Mass was celebrated the next morning followed by a press interview of Mother Teresa. By 2:00 that afternoon the Bishop Dwenger gym was filled with about 3,000 people.

Mother Teresa's speech commenced at about 2:00. Mayor Win Moses, Bishop McManus and Bishop Crowley were present. Mother Teresa's speech focused on loving one another as Christ taught us. She repeated her strong stance against abortion. She also stressed strengthening the family. Her forty minute speech was very moving and inspiring.

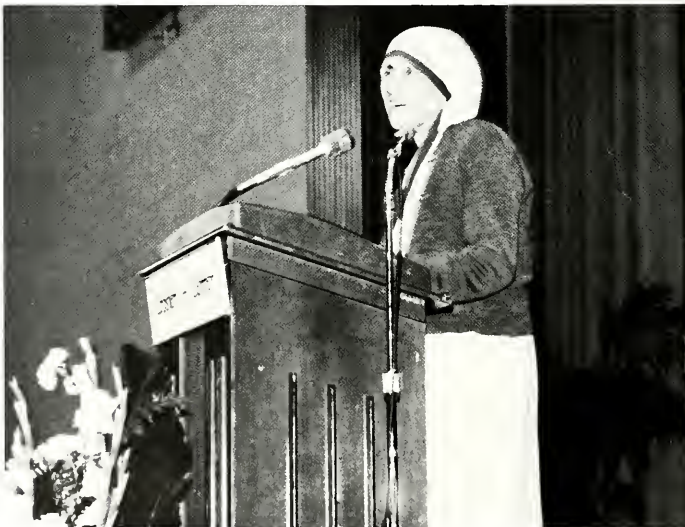

Mother Teresa left Fort Wayne directly after her speech at Dwenger. Her stop here was one of a series of visits in the United States.

Mother Teresa prays for Christ to speak through her.

Mother Teresa greeted several people at Dwenger.

The woman whom many consider a living saint addressed the Fort Wayne crowd.

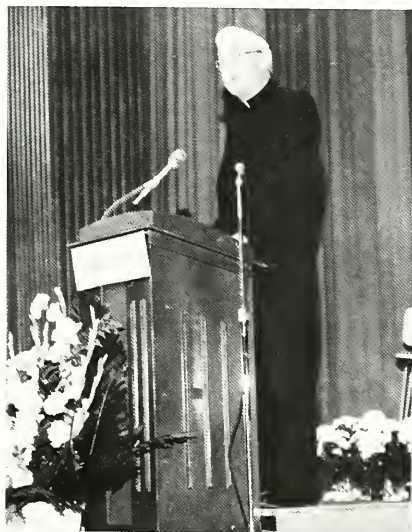

This humble, petite woman has touched the lives of a vast number of people.

Mayor Win Moses delivered a short speech before Mother Teresa spoke.

The crowd remained extremely quiet and attentive during Mother Teresa's speech.

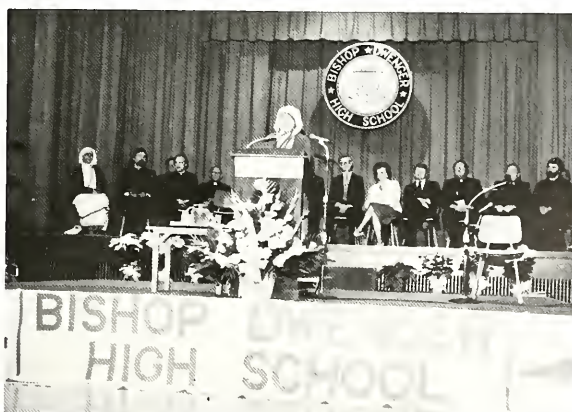

Bishop William McManus welcomed Mother Teresa to Fort Wayne.

Mother Teresa spoke of the need to love one another as Christ loved us and taught us.

Bishop Dwenger was truly blessed!

The "Thrill of Victory" and the "Agony of Defeat" is the best way to describe the Saints 1981 football season. The thrills came in defeating our "arch rival" Bishop Luers and being tied in the SAC standings with Snider. The agony came in losing to Snider at one of the biggest turnouts in Fort Wayne football history. But most agonizing was losing to Lafayette Jeff at the state quarterfinals. The Saints were one of the best teams in the city this year. Our team was led by a super group of seniors and was backed by a talented group of juniors and underclassmen. The coaching staff led by Coach Johns did a great job. His assistants were Coach Tone, Coach Ray, Coach Koester, Coach Taylor, Coach Bloom. They devoted a tremendous amount of time and effort so that our athletes were in top form.

Mike Fuller runs through the opponents defense.

Coach Tone yells advice to his team.

Dwenger's ready for another win.

Girl's Cross Country

L to R: Phylis Avila; Carol McManus; Sue Fipp; Carol Schoenle; Barb Fipp; Coach LaBrosse.

Phylis Avila holds her breath until she crosses the finish line.

The Crosscountry Team finished their season with an impressive 5-2 record. They placed 4th in the SAC meet, placing Barb Fipp, Carol Schoenle, Phylis Avila and Carol McManus in the top 30. At Sectionals, Dwenger placed 4th led by Carol McManus' 4th place finish. In an excellent team effort at the Regional race, Dwenger ladies team qualified for State placing 4th again led by Carol McManus. At the state race the team placed 16th, making this the third year the Dwenger Girl's Crosscountry team has made it to the state level. The MVP for the girls team was Carol McManus, while Phylis Avial won the Mental award.

Carol McManus uses all her strength right down to the last step.

Boy's Cross Country

Back Row: Joe Collis; Mark Holly, Rick Harkenrider; Ron Sterba; Bryan Conley, Mike Schoenle, Coach LaBrosse; Front Row: Tim Bunchue; Don Ueker; Ron Chocholek; Don Oberly, Mark Ringswald.

Joe Collis no doubt will lengthen his lead against his opponent.

The Boy's Crosscountry Team had a slow start due to an injury that put team captain Bryan Conley out of the first six meets. But he was back in time for the SAC meet, where Dwenger placed 7th, Rick Harkenrider and Mike Schoenle led the Saints both placing in the top 30. Dwenger also made an impressive stance in the Sectional placing five men in the top 45 and as a team placing 7th. The MVP for the boy's team was Rick Harkenrider while the most improved was Mike Schoenle.

Ron Chocholek looks forward to the end of his race.

Boys Talent Shines Through

Top row: K. Cagnet, B. Bloom, D. Jankowski, T. Brouwer, T. Pelkington, M. Nowlan, M. Leeuw, 2nd row: K. Burns, M. Yaney, D. Sordlet, J. Yaney, D. Ummel.

Dave Jankowski perfects his free-throw shot.

Mark Yaney apparently doesn't know whether to eat the ball or to catch it!

Chris Pelkington waits for the rebound.

The boys basketball team had a rough season this year, but the teams morale was kept bright by some amazing upperclassmen and underclassmen. Senior Tim Brower had an excellent record this year, he has a fine credit to the team! We'll miss the power of seniors, Tim Brower, Dave Jankowski, Mark Yaney, and others but with a fine coaching staff we hope to have a better season next year.

Both teams await the direction of the ball.

The coaches and team have mixed emotions about this game.

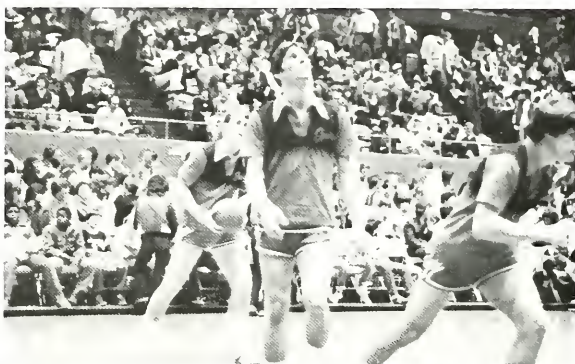

Chris Pelkington aims for the basket using all his concentration.

"Warm up" is the key to Saint's success.

Bob Bloom takes time out to pray for help from above.

Front row: M. Herald, J. Berghoff, G. Nelson, J. Rogan. Back row: D. Bloebaum, J. Ziliak, M. Eifert, B. Ray, T. Larkner.

Jay Yaney's mind is on the net while his hand controls the ball.

Chris Pelkington tries desperately to reach his goal ... the ball.

The Saints move to take their positions on the court.

Saints Matmen Prove Successful

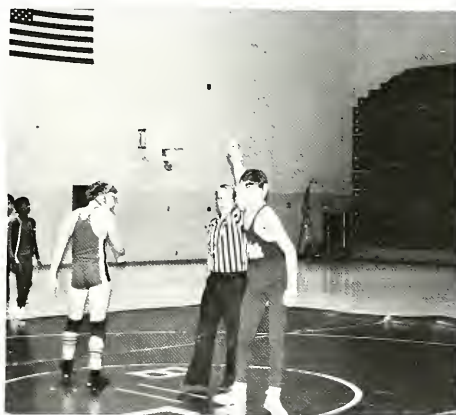

Front row: P. Malnor, R. Taylor, M. Steger, S. Kelly, T. Joyce, V. Mastrangelo, J. Collis. Middle row: T. Brandt, P. Kajuch, A. Jasper, B. Jehl, M. Merkler, M. Balser, D. Kinnery. Back row: Coach T. Murphy, G. Newport, J. Chapline, Coach F. Tone.

Dave Kinnery, the Saints heavyweight, seems to be having no problems with his opponent.

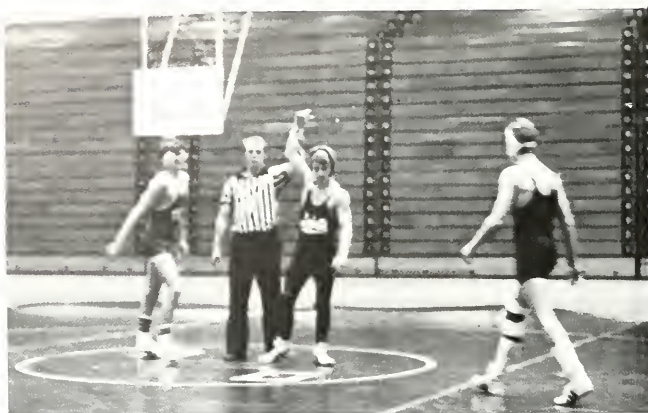

This year the wrestling team was really powerful. It was led by some fine upperclassmen and surprising freshmen. Special recognition was given to Bob Jehl (senior) and Dave Kinnery (junior), who both went to regionals.

Mark Newport is victorious while the opponent looks dejected.

Coach Tone extends his hand to a tired Bob Jehl.

Chris Stock chalks up another victory for the Saints.

Dave Kinniry awaits the take-down of his opponent.

Front row: J. Hallert, C. Tippmann, C. Griffith, V. Kemper, M. Newport, B. Kinniry. Back row: S. Gillig, K. Kelly, M. Lowery, S. Loftus, C. Stock, M. Kraft, Mr. Tone, Sr.

Bob Jehl seems to be caught up in all the activity around him.

It appears the ref sees something we don't.

Dave Kinniry and Bob Jehl take time out to pose as champions.

Katie Ohlman's shot seems to have amazed Amy Hile.

Amy Hile shoots from the foul line.

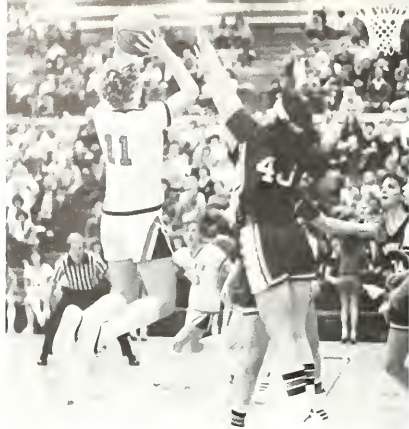

When Ded Krouse catches the ball, it's time for another basket.

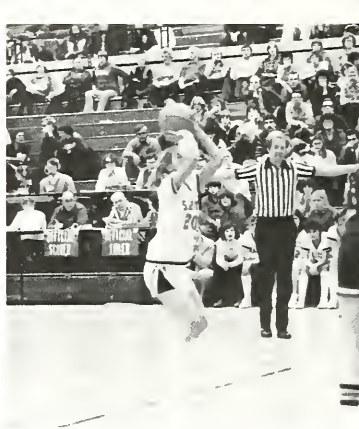

Ded Krouse seems to be trapped by these Hawks!

The 1981-1982 Girls Basketball Team started off slow but came on strong to win a tough Fort Wayne Sectional. The first two losses were suffered to the number 1 and 2 ranked teams in the state. The Saints marched to Northrup only to defeat them. The girls dream of state was shattered by an unexpected lose to Norwell. Deb Krouse and Amy Hile were named to the All SAC Team, and Amy Hile made the All AREA Team, with Deb Krouse getting honorable mention.

Amy Hile out jumps her opponent to try for the basket.

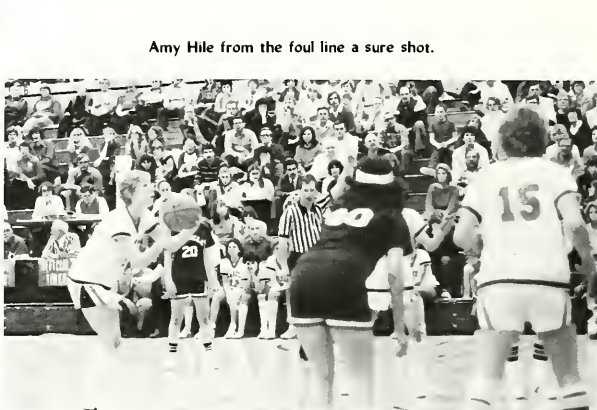

Jean Weigand shoots from the foul line.

Katie Ohlman and Chris Bonahoom play keep-away from the opponents.

Katie Ohlman blocks her opponents so Becky Vorndran can concentrate on her shot.

Boys & Girls Track! Both Winners

Ed McMurray awaits the handoff from Ed Dobosz.

Laura Michaelbrink gives it everything she's got.

The track team was off to a running start this season. Coach Swartz was a great addition along with Coach LaBrosse for the men's team. Ms. Lyster and Mrs. Bachmann did a fine job coaching the girls team also. The men's team showed promise with athletes Dan Alter, Don Uecker, Ed Do-

bosz, and others. The girls were also helped by fine athletes like Carol McManus, Phylis Avila, Karen Wagner and Lisa Vicars. Special recognition goes to Carol McManus who was National Track Meet competitor. Congratulations to both girls and boys track teams.

Coaches: Jan Shipper and Rose Poinsette. The team: Sarah Randall, Kelly Bauer, Donna Lobacz, Margo Fish, Karen Reith, Barb Fipp, Kristen McGraw, Marsha Douglas, Kim Osbourne.

The team celebrates after a victory.

With much poise and grace, Donna concentrates on performing another difficult task for Dwenger.

Tim congratulates Donna on a job well done.

The gymnastics team had a terrific season this year, winning 5 meets, and losing some meets by only one or two points. They worked very hard all season from the beginning of November through the third week of March. In the meet against Concordia, the team scored 86 points, which is the highest score Dwenger gymnastics team has

ever attained. Awards were given out at the end of the season: the most improved gymnast was Kim Osbourne, most valuable gymnasts were Donna Lobacz and Kelly Bauer, and the best mental attitude award was given to Barb Fipp. Congratulations to the gymnasts, coaches, and manager Tim Goheen, on a great season.

L to R: C. Tippman, J. Dauley, G. Lowrey, M. Eifert, M. Ohlman, M. Newport, Coach Ryan, second row: K. Huneck, C. Stock, B. Bradley, S. Landstoffer, R. Capps, M. Davis.

Jeff Dawley and Coach Ryan watch the rest of the team on the course.

Mark Davis makes this putt look easy.

This golfer concentrates on his daily putt.

Mike Ohlman starts his powerful swing.

The golf team had a good season despite the flooded golf courses. The team was well represented by some outstanding upperclassmen and great underclassmen. Mark Eifert (sophomore) and Bart Bradley (freshmen)

did surprisingly well this year. The team will lose seniors Mike Ohlman, George Lowry and Jeff Dawley, but with the fine coaching of Don Ryan, the team will be back next year for another fine season.

Girls Tennis Has Great Season

Back Row: A. Couch, B. Battreall, T. Heinz, J. Hatfield, K. Ohlman, C. Bonahoom, J. Momper, J. Weigand, Coach Miller, Front Row: J. Weigand, A. Dimberio, S. Yaggy, J. Poinsette, C. Ryan, P. Ryan, Lisa Hayden, C. Clamecka.

Patty Ryan and Jean Weigand have mixed feelings about their matches.

The team showed devotion and enthusiasm with only one defeat to Luers. Jan Weigand beat M. Colligan in Sectionals, which led her on her way to state. Number One doubles Katie Ohlman, Terri Heinz, and Jan were named 1st team SAC. The team was coached by Mary Miller.

Jan Weigand executes a powerful return.

Terri Heinz ends up a long day.

Colleen Ryan poses with the ball before a match.

Batting Up A Hot Season

Top row: Coach Taylor, T. Guin, D. Westendorf, P. McMahon, J. O'Boyle, M. Nowlan, J. Dvine, M. Biel, 2nd: G. Miller, K. Patterson, M. Perriquee, M. Kien, C. Zoch, D. Bloebaum, D. Pat McMahon has the perfect pitch.

Mike Nowlan shows his opponet his new pitch.

Phil Fenker is prepared to hit this one out of the park.

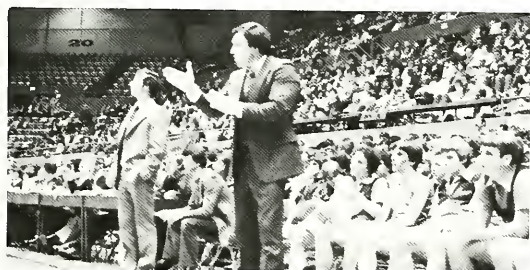

Apparently M. Lauer thinks he made a terrific play.

This years baseball team had a 10-11 record. Mike Nowlan and Mark Peters were the pitchers. P. McMahon, P. Fenker, and M. Peters led the Saints in hitting. T. Bobay and C. Baron made the Saints shine in the outfield.

The coffee clutch brings Mr. Gaughan and the students together.

John Gaughan,
Principal

Lending an ear is one of Fr. Jim's best talents.

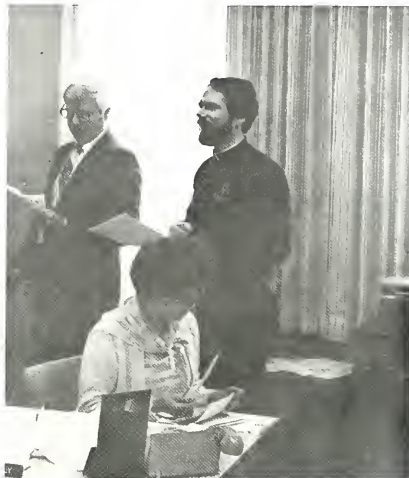

How can Mr. Veerkamp smile with all that work to do?

The faculty staff eagerly tries to dress a frog.

Mr. Gaughan and Fr. Shafer prepare to read the announcements for the day.

Father Jim is not only our chaplain, but also a teacher.

The administration this year has teamed together to make the school the best it can be. Mr. Gaughan again has set aside an hour for a coffee clatch with the seniors to bring the office staff and the student body together. Both Mr. Herber and Mr. Woods have done their part to provide the students with a good atmosphere for learning. Dwenger's new chaplain, Father Shafer, has given any student with a personnel problem a shoulder to lean on. Mr. Veerkamp has helped the school keep the finances under control.

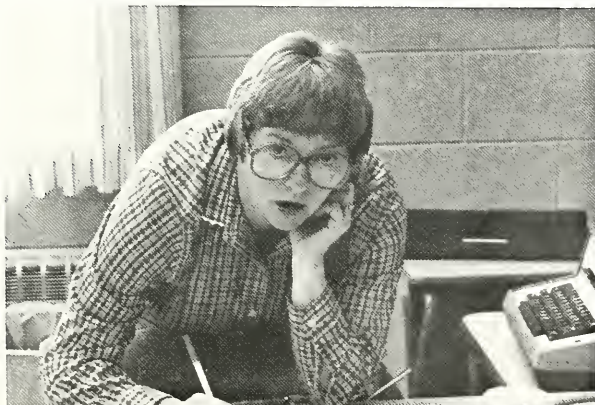

Mrs. Hall introduces us to her office.

Mrs. Carroll spends her spare time in the lounge.

Mrs. Passino is so busy she has no time to sit down.

Mrs. Dumas was a big help in preparing Saints Alive this year.

Mrs. Altmeyer receives the aid of a helpful Mrs. Holly.

Mrs. Passino sets out eggnog for the many visitors in the office.

Patricia Altmeyer

Being Mr. Gaughns secretary keeps Mrs. Maher busy at all times.

The secretaries have aided not only the administration, but also the students. Mrs. Passino gives the students someone to depend on in case of an emergency. Mrs. Holly also handles matters in the front office. Helping Mr. Veerkamp in the business office is Mrs. Altmeyer. Mrs. Ocken, the enrollment secretary, helps Mr. Tone with any problems. As Mr. Gaughan's secretary, Mrs. Maher is kept very busy. All the secretaries help each other.

With a smile like that greeting you what student wouldn't wait to come to Dwenger?

The Aids To Every Student

Mrs. Hall and Mrs. Steger discuss a student's schedule.

Barbara Hall

Ginny Steger

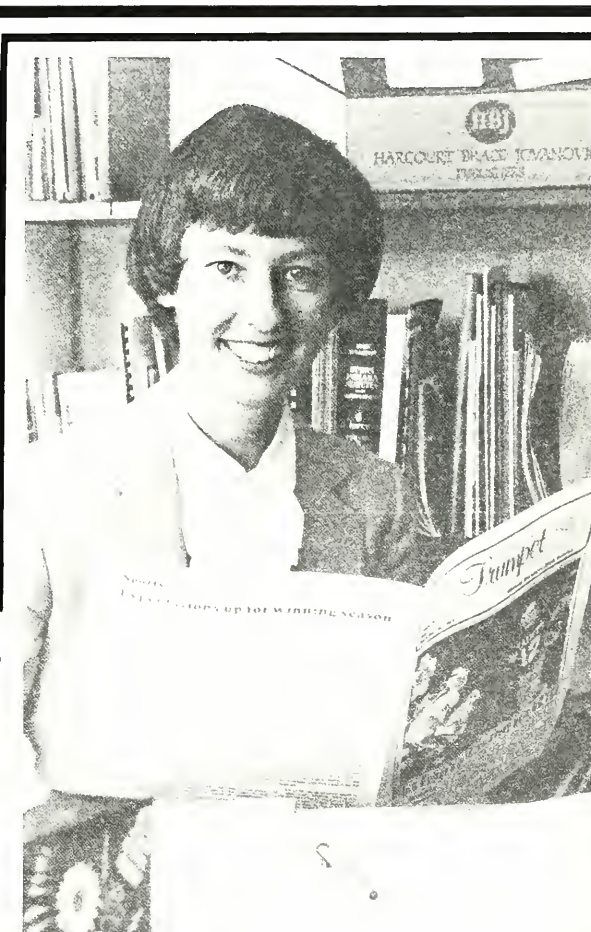

Sharon Kaltenmark

Mrs. Steger types a reference for one of the students.

The Guidance Department this year was kept extremely busy. Mrs. Hall found out how eager the juniors were to plan their senior schedule and make sure all their credits were in order. Mrs. Kaltenmark had her hands full with over two hundred seniors all having questions about college and wanting information about scholarships. As secretary, Mrs. Steger saw that the guidance staff was running as smoothly as possible. Because of the great work of the guidance department the students body of Bishop Dwenger had a productive year.

Mrs. Kaltenmark takes time out of her busy schedule to read the school paper.

Special Services, Daily Routines Are

The ladies relax before the hungry kids rush in.

Students can't wait for lunch when they know there is a bake sale going on.

Mrs. Barraud waits patiently for the starving mob.

Pete Prowant performs his talents.

The cafeteria staff worked very hard this year.

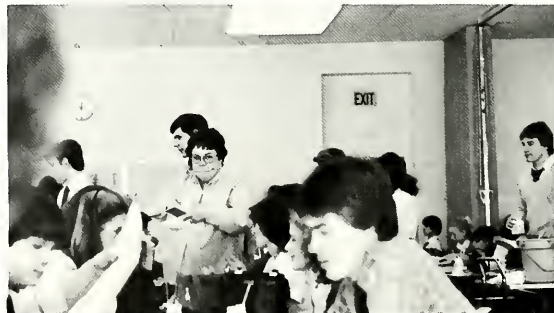

The six hard working ladies achieved much this year by creating a new mexican dish, having a clean atmosphere to eat in and preparing the best cakes and cookies ever. The ladies prepared a meal both appealing to a teenager, yet also nutritious.

The cafeteria staff worked to their best ability and every B.D. student is proud of and thankful for them.

Cafeteria Staff: Barb Barraud, Pat Braudt, Mary Ashby, Jean Bierbaum, Helen Bassett, Charlene Brockman.

Mrs. Cornell has no time for lunch so she can only look at others enjoying the meal.

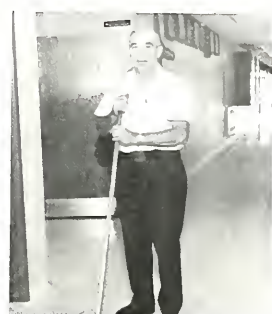

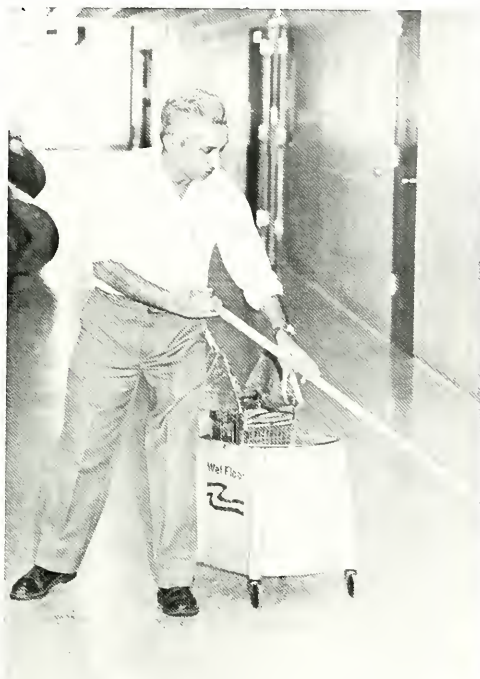

A Big Part Of Operations

Louis gives the floors a shine of their life.

Gene Karst

Albert Silk

Louis Esquivel

With all these tools what job can't Mr. Karst do?

This must not be Mr. Silk's favorite job.

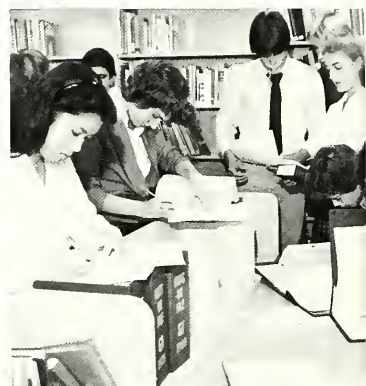

The Maintenance Department consists of three men, Mr. Silk, Mr. Karst, and Mr. Esquivel. Their job is a never ending one. The men get to school way before students are even awake and they don't leave until every last student is out of the building. When there is just too much work for the three men to do alone they get the aid of Ray Gabet and some students who help after school. Their work takes much time and effort, but the men do a great job in keeping are school in tip-top condition.

Shhh! Your In The Library

The library was a great asset to both the students and faculty of Bishop Dwenger this year. The students had time during their lunch period to do some homework or just relax with a good book. Many teachers gave their students time during class to go to the library and do some research. The audio-visual equipment stored in the library added many teachers. Throughout the year students and faculty members found the library to be a place to relax and learn.

Mrs. Kemp relaxes after a long day in the library.

Mrs. Kemp and Sister Mary Jane enjoy reading one of the many books in the library.

College prep. students were often seen in the library working on material.

Recreation period gives some students a chance to study and do their homework.

Sister Mary Jane Sloderback

Sister Agnese Jasko

Library life seems to appeal to Sister Mary Jane.

Let's Get Physical!

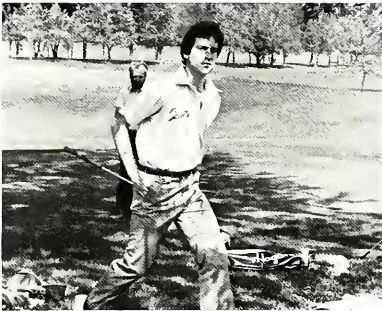

Laurie Hallart shows how powerful she really is.

Kay Freiburger

Debbie Lyster

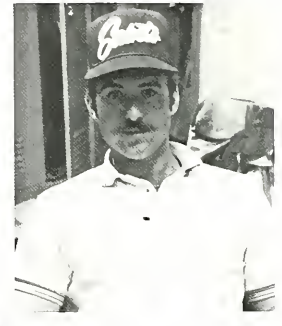

This senior was sure glad he had Mr. Bloom as a teacher to help his athletic ability.

Mrs. Freiburger rests after showing her students how to dance.

Denny Bloom

The gym classes instructed by Mr. Bloom, Mrs. Freiburger, and Miss Lyster, were taught how to play such games as volleyball, soccer, badminton, and basketball. The students were also given a chance to show their gymnastic ability and weight lifting skills. The best part of gym for many students is when they learn to square dance. The purpose of gym is to help students to become more coordinated and to better their health. Another part of the gym department is Health and Safety which instructs students on functions and first aid.

Katie knows that her freshman gym class helped her athletically.

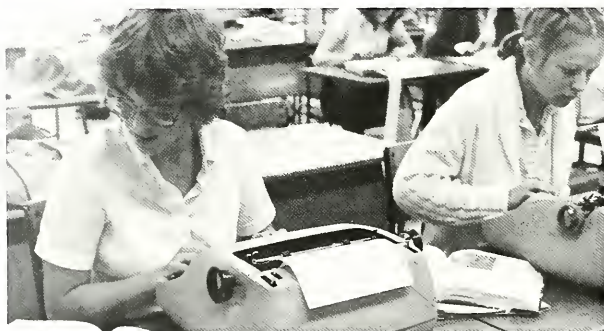

Business Department: Training For The Marketplace

It can't be that boring Laura.

Margaret Centlivre sure is glad Jean Racine knows what she is doing.

Karen Huhn sure has her typing skills mastered.

The business department teaches students skills such as typing, shorthand, and accounting. Mr. Krouse teaches accounting which gives the students an opportunity to improve their math skills and to learn about the accounting field. Mr. Ryan teaches typing personal typing and typing I. Mrs. Field, a newcomer at Bishop Dwenger not only teaches typing but also shorthand and office practice. All the classes give students a head start for college and help prepare them for a business career.

Dan Ryan

Gloria Field

Richard Krouse

Mr. Ryan is always glad to give the camera a smile.

Through Art Students Learn Creative Skills

Mrs. Case helps Laurie and Lisa with their paintings.

Anne Case

Monica Bachman

This pole has a message from every art student.

Theresa Long seems to have sewing mastered.

These students sure are excited to see a camera.

The Art Department offers many classes. Mrs. Case teaches her students such art forms as drawing, lettering, and painting. In home economics Mrs. Bachman tries to teach her students the necessities of any house hold. In foods students learn to prepare foods. They also learn about nutrition and the benefits of a balanced diet. In clothing class the students are taught how to save money by making their own clothes. In a rather different are class Mr. Herber teaches his students drafting and how to make precise drawings. All the art classes allow the students to discover their interests as well as learn a wide variety of skills.

The Mighty But Few

Mrs. Jehl instructs the band to slow down the tempo.

Sue Jehl

These saxophone players must have good lungs to blow out such great sound.

The band had a very busy and triumphant year. It all began with the band getting an excellent rating at the Northrop Contest. The contest at Wayne H.S. ensured the band a gold medal and a silver medal. A stage band has been formed by Mrs. Jehl and they did many different things over the course of the year. The stage band went to two nursing homes and performed concerts. They also played at all the home basketball games. Mrs. Jehl taught the band students very much this year and Mrs. Levy taught the orchestra and prepared them for the Spring Musical.

The band gives the student body a taste of excellence by performing a few tunes.

These students give a flare of beauty to mass.

Delana Levy

Singing isn't the only things these students can do.

These two students express their skills as the girls look on.

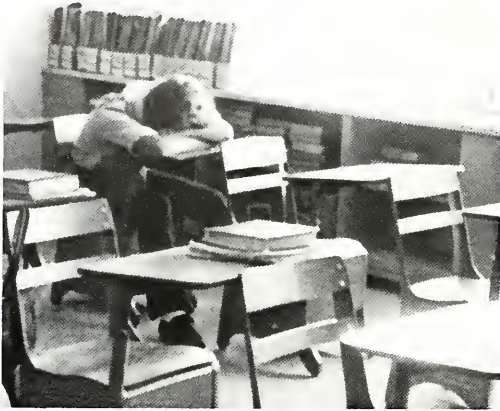

Mrs. Levy listens while trying to grade the student.

The best part of chorus is singing for others at a concert.

Chorus is a half hour long class which is taken during a students lunch period. It is taught by Mrs. Levy. She teaches her students to read music and helps them better their singing voices. Mrs. Levy also teaches concert chorus, which is an hour long class. It is a harder class and gets into more detail of music. All the chorus students have four major concerts while the concert chorus students also do special concerts for different events. The whole music department takes much pride in what they have accomplished.

Religion: A Part Of

Religion class isn't the only thing that brings us closer to God.

"Oh come on Brook!" Miss Maciejewski can't be that boring.

The Religion Department did not change much from last year except for a new class for sophomores. The class is titled Reverence for Life and concerns everyday problems of teen-agers. Freshman were reviewed on the New and Old Testament. The other half of sophomore year, sophomores took Mass & Sacraments. Juniors were introduced to a new member of the Dwenger Staff, Sister Dolores, who teaches Teachings of Christ. Juniors were also instructed in religion, not of Catholic religion, but of Buddhism, Judaism and other forms of religion. And for the seniors, they learned what marriage was all about and social issues.

Mrs. Levy tells these girls what marriage is really about, from experience.

Mrs. Cornell and one of her students read more about Islamic society.

Father Shafer expresses his feelings of marriage to these students.

Ron Poston

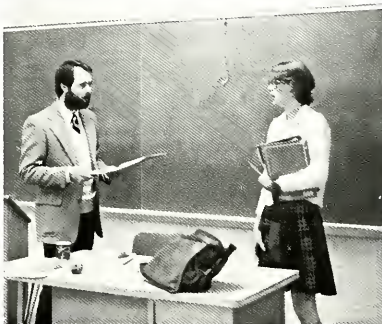

Mary Ann Jackson

English is easy if you have someone to help you.

Mr. Poston tells Michelle Kumfer that her test score was excellent.

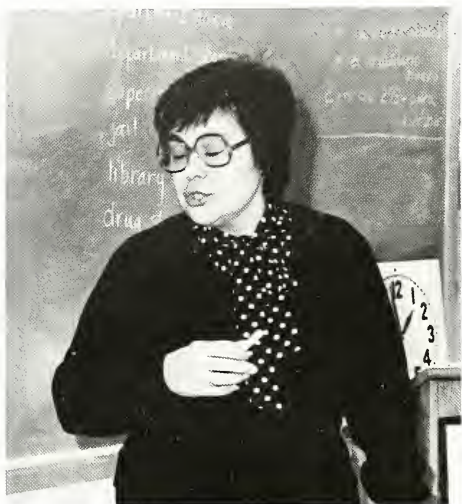

Mrs. Jackson reminds John that run-on sentences aren't good.

English! What's that?

Every student must be able to express his ideas in such a manner that they can be easily and clearly understood. To help students in this task one must have taken one of the many English classes offered at Dwenger. Some of the varied classes offered are, American Lit., English Lit., College Prep., Mass Media, Speech and Creative Writing. All of the classes give students a chance to express themselves and learn some things about literature. There are two men and eight women in the English staff who are all working hard to better students English skills.

Espanol, Deutsch

After having Spanish for a day Mike Gehl wonders if he can change classes.

This student turns his back on the camera to aid a friend.

Is Mrs. Nelson demonstrating the word, sies-ta?

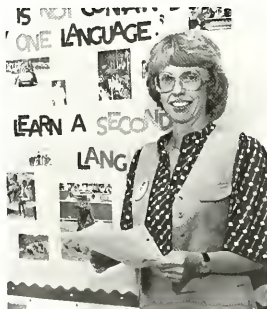

After taking Latin these students are glad they speak English instead.

This boy roams the halls instead of taking a test.

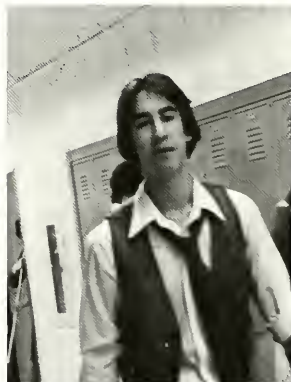

Adele Nelson

Sharron Oberstar

Marianne Klaffke

Français, Latina

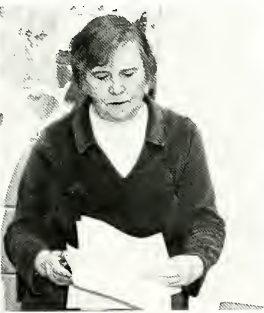

A book on Mythology helps the students to better understand Latin history.

Mrs. Simmons says, "tres parfait" to Theresa Klingenger.

Learning a different language is hard as some of these facial expressions show.

Marian Simmons

Kathy Klemme

Sue Brown

The foreign language department this year gave students four different languages to choose from to better their reading, speaking, and listening skills. These four choices are French, Spanish, German, and Latin. Mrs. Simmons and Mrs. Klemme taught French while Mrs. Brown taught Latin. The Spanish teachers were Mrs. Nelson and Mrs. Oberstar. A new addition to the B.D. staff was Mrs. Klaffke who taught German. Learning a foreign language can be very difficult, but with the fabulous instruction from the teachers, the students learned to speak and understand a different language. The students were also aided by the experience of the language lab.

The 1, 2, And 3's Of Math

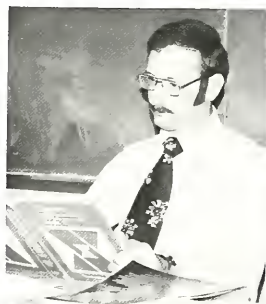

Tim LaBrosse

Diana Goehring

Robert Meyers

These students never dreamed math could be so hard.

"You're going to like algebra or else!" say Mr. Meyer.

Vincent Mastrangelo is more intrigued with making a straight line than doing algebra.

Gladys Ruiz

Mike Thompson

Harriet Hinkle

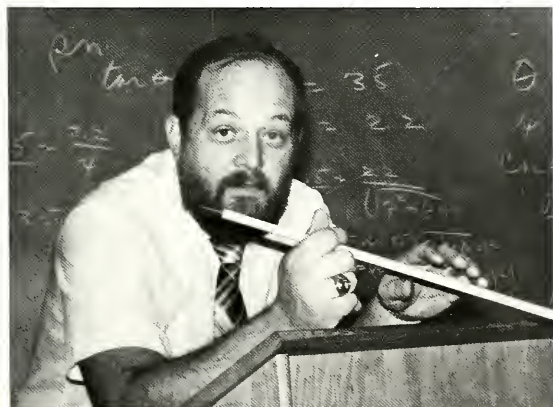

After having one day of algebra these boys boycott.

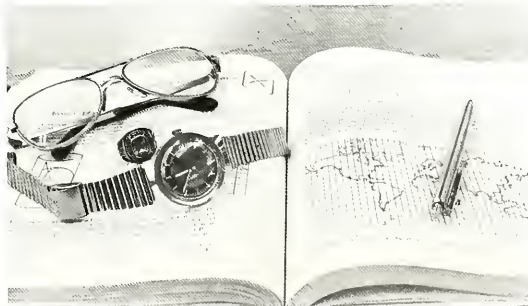

Mary and Jan would rather gossip than learn anything about algebra.

Whether it be simple addition equations or complex calculus theories of maxima and minima, the Mathematics Department gives many students basic math background for college and life. The math courses at Bishop Dwenger are numerous and include: Elementary Algebra, Algebra, Geometry, Trigonometry, and Pre-Calculus. Those students with higher math ability may take honors classes. Three men, Mr. Meyers, Mr. Labrosse and Mr. Thompson, and three women, Dr. Ruiz, Mrs. Hinkle, and Mrs. Goehring, teach various classes in this field. Even for the easiest course, many students find that half an hour of homework is a vacation compared to the usual. In math perhaps more than any other course, "practice makes perfect."

Mr. Thompson and his pointer are inseparable.

A seniors valued material goods are: glasses, a class ring, a watch, a pen and a math book!

In Today's World Of Modern

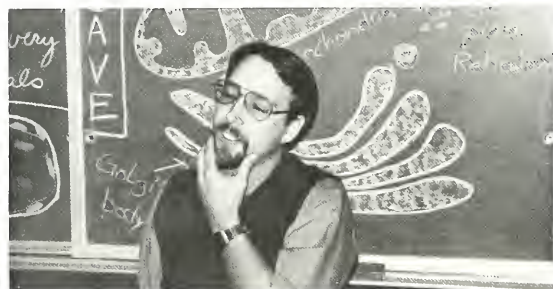

These two students seem intrigued in balancing a chemical substance.

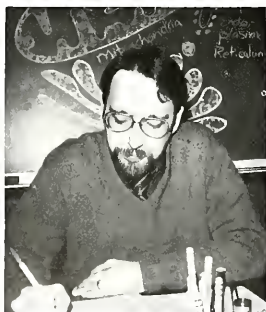

Mrs. Gloman is having a jolly time with her lecture.

Mr. Swartz wonders whether to grade his tests or prepare his lesson plans.

Mrs. Gloman focuses the telescope for a student.

Joyce Gloman

Tim Phillips

Is this what becomes of Mrs. Gloman's students?

Technology, Science Is Valuable

First rule of any science class is to clean up the mess.

Sr. Kathleen Morrissey

Francis Herber

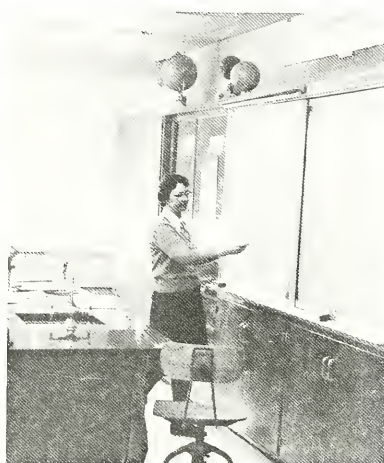

Isabel Smulkstys

What has Joann Stump found that is so interesting?

Sister explains what a chemical reaction is.

Bishop Dwenger offers a wide variety of science courses, including Advanced Biology, Chemistry and Physical Science. Two new teachers were added to the science department, Mr. Phillips and Mr. Swartz both teach sophomore biology. As all students of science have found out labs are an important part of science curriculum. Lab gives the students a break from the usual routine of lectures and films, and it also gives students a chance to validate what they learn by proving it themselves. Whether you're a chemistry student balancing equations, a biology student working on a dissection or a physics student writing that last formula the lesson is the same: application of basic facts to a problem.

Bryan Conley takes time from class to organize his papers.

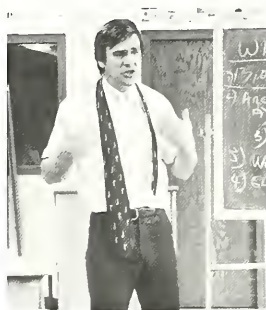

These students display their pride and joy.

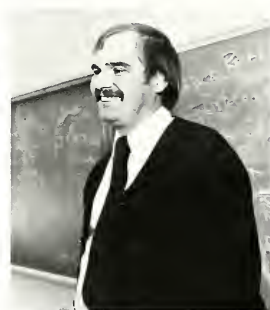

History Expands Knowledge Of Past And Present

Jim Koester

Fred Tone

Andy Johns

Forty years from now will Julie Bender's grandchildren read of her famous doings.

Mr. Tone reads the daily bulletin to his homeroom class.

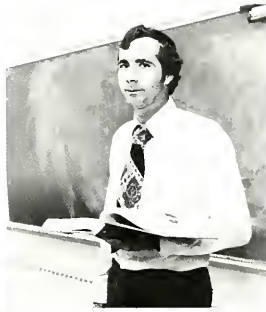

Is the future president of America pictured here?

Carl VanAllen tells his class how the U.S. Congress was established.

Tony Andorfer is so excited about his government class he's doing his math.

Dave Scudder

Frank Ray

These students are more interested in what's trump than what's Reaganomics.

Helping students learn about past events is the goal of the Social Studies Department. The teachers of U.S. History, Mr. Tone, Mr. Jones, Mr. Scudder and Mr. Koester try to teach students how our country was formed. They teach us the mistakes of our forefathers so we may not repeat the mistakes. Mr. Koester also teaches World History which gives students the chance to learn past and present events of other countries. Mr. Johns and Mr. Ray teach Government. Government is very helpful for seniors for it teaches them how politics is set up and aids them in understanding the working of today's democracy.

Phil Fenker's mind seems to be somewhere else.

Mr. Ray puts an end to his headache by putting an end to Chuck McNulty.

Cheryl Cameron sure is interested in whatever Mr. Ray is saying.

Being editor of the yearbook is a tough and confusing job, so I'd like to thank all the people who made it so much easier, especially Mrs. Cornell. Mrs. Cornell, our yearbook moderator, gave much of her time and patience to help us through this year. Without her, we'd still be working on our first few pages. She helped the staff from deadline to deadline, keeping everything under control.

I would like to thank the whole yearbook staff. They all did a tremendous job. My assistant co-editors Debbie Carteaux, and Patty Hudak put forward the best of their talents to make this yearbook the best ever. They both started working in the fall and never quit the whole year.

I would also like to thank each of my section editors: Liz Bakle (academics), Carolyn Bookmyer (activities), and Mary Romie (students). The section editors have one of the most time consuming jobs, and all three did a great job.

There are so many people that contributed in countless other ways that they all can't be listed, but I'd like to mention a few. Thank-you to Watters Studio, Frank Bougher, John Freiburger, Bob Uecker, and Dan Huhn who took all of our pictures for us. They were very understanding with our request for more.

I would like to thank Mary Brombereck for working on the sports section, and last but not least I want to thank everyone who helped me type, especially Cindy Stooddy and Lorrie Freiburger, and those who wrote body copy.

Thanks,

Sue Lock
